

Welcome

[Welcome](#) [1]

Scobie McIntosh are manufacturers of architectural metalwork in wrought iron, stainless steel and mild steel. We have been operating for over 15 years making and repairing palisade fences (including spearheads), palisade gates, wrought iron gates and wrought iron window grilles.

You can bring your design or draw upon our extensive catalogue of designs and ideas.

Scobie McIntosh can help you with your project big or small, commercial or domestic.

Following is a selection of our products .
